PROFESSIONAL EXPERIENCE

1. Manager – Operations, Corporate Admin, IT & Inventory

`May 2024 - Apr 2026`

Anzaar • Dhaka, Bangladesh

- Direct day-to-day administrative operations, IT procurement, facility upkeep, and inventory synchronization across multi-branch retail network.
- Formulate administrative standard operating procedures (SOPs), vendor service contracts, and executive reporting workflows.
- Manage end-to-end inventory lifecycle including stock receiving, transfers, cycle counting, and variance reconciliation.
- Synchronize physical warehouse stock, multi-branch POS counters, and e-commerce storefront with strict zero-variance protocols.
- Standardize 2,000+ SKU product catalog with barcode label systems and taxonomy structures, accelerating upload speed by 40%.
- Deploy and maintain retail POS systems across outlets, providing staff training and ensuring 100% system uptime.
- Coordinate IT hardware procurement, office workstations, LAN infrastructure, and technical support.
- Oversee online order processing workflows, customer fulfillment, and accurate tracking systems.

KEY ACHIEVEMENTS

- Maintained 95%+ inventory accuracy across warehouse & retail branches
- Managed 2,000+ SKUs efficiently with barcode catalog standards
- Ensured 100% stable POS & IT infrastructure uptime during high-volume campaigns
- Reduced stock mismatch by 30%+ through strict GRN audit cycles
- Improved order fulfillment speed & dispatch turnaround by 40%
- Standardized administrative vendor procurement & equipment records

2. Freelance Media Buyer – Google Ads

`Mar 2022 - Apr 2024`

Independent Consulting • Remote

- Managed Google Ads acquisition campaigns including keyword research, audience targeting, and budget administration.
- Analyzed campaign performance data, optimized advertising expenditures, and improved marketing ROI.
- Executed data-driven audience segmentation and keyword bidding optimization to maximize returns.

3. Admin Operations & Inventory Executive

Apr 2018 – Dec 2021

Hive Interiors • Dhaka, Bangladesh

- Administered complete corporate office operations, facilities management, executive correspondence, and administrative documentation.
- Governed fixed asset registers, architectural raw material samples, and office resources with 100% audit compliance.
- Managed biometric employee attendance systems, leave administration, HR documentation, and staff ID credential protocols.
- Directed vendor procurement cycles, contractor negotiations, purchase orders, and accounts payable invoice vetting.
- Supervised corporate facility infrastructure, 24/7 CCTV surveillance networks, workstation setups, and office LAN connectivity.
- Provided comprehensive administrative and IT support for office software and operational systems.

4. Inventory Support & Admin Executive

Mar 2014 – Mar 2018

NS Corporation Ltd. • Dhaka, Bangladesh

- Maintained corporate administrative records, commercial dispatch files, resource tracking, and logistics documentation.
- Prepared daily and weekly stock balance sheets, discrepancy audits, and operational reports for executive management.
- Conducted receiving dock inspections, verifying supplier packing lists, purchase orders, and binning compliance.
- Managed office reporting systems, cross-departmental coordination, and data verification tasks.
